Mark Vnuk believes that maintaining quality production, customer service, and a competitive edge have been the greatest contributors to his success. With a degree in Business Management, experience working as a laborer for Liberty Homes and 31 years of service with BGS, he is dedicated to keeping up with the trends of the industry and providing only the best in graphic supplies.

**Q** **Being a family-owned business, you've been involved with BGS for quite some time. How have you been able to develop the company?**

**A** Throughout my 31 years with Brand Graphic Solutions, I have moved up from Purchasing Agent, to Salesperson, to Vice President of Sales. Every position I've held has given me new insight into the business and further enhanced my ability to take on the constant transitions you face while running a private company.

**Q** **What do you consider to be your biggest achievements? What is the most valued award you've received?**

**A** Being appointed the position of Vice Chairman on the Plymouth Township Home Rule Committee was quite an honor. Serving on the Planning Committee for the Pocono Charity Poker Showdown was also a rewarding experience.

**Q** **What are some clubs and organizations you belong to?**

**A** Being in the position of sales, I find it important to stay abreast of evolving markets and business trends that are relevant to my company, so being a member of the Penn State Nittany Lion Club and the Foreign Freight Traffic Association of Newark, New Jersey, have helped me to do that.

**Q** **What goals or visions do you have for the future of the company?**

**A** I believe you need to stay on the cutting edge of technology, quality and customer service. As a business constantly changes, it creates a need to become more competitive. It speaks more and more each day.

**Q** **Outside of work, what are some of your personal interests and hobbies?**

**A** I very much enjoy attending Penn State football games, traveling, reading and riding quads.
